NO COLLATERAL INFORMATION

By signing and submitting this form, you understand that you are making an unsecured loan from your IRA account.

- Unsecured loans are riskier than loans backed by collateral, such as real property.
- IRA Club is not required to take legal action if the loan defaults, becomes fraudulent, or is subject to bankruptcy or other legal process.
- We encourage you to work with a qualified attorney to draft, review, and advise you on the terms of any loan document submitted to IRA Club.

Additional details to consider:

- The interest rate on an unsecured loan may be higher than the interest rate on a secured loan.
- The borrower may not be able to repay the loan, which could result in financial hardship for you.
- If the borrower defaults on the loan, you may have to take legal action to recover your money.
- We recommend that you carefully consider the risks of an unsecured loan before making one.
